Rider's Guide

Check out our videos on how to ride Petaluma Transit on our website transit.cityofpetaluma.net

Where to Get a Schedule

Petaluma Transit schedules are available at City Hall, the Community Center, the Public Library, and at various locations throughout Petaluma. All buses carry our schedules, or you can call for transit information at 707-778-4460. We will be glad to send you one.

Bus Stops

Buses stop at designated Petaluma Transit stops, generally every few blocks along the route. Bus stop location information can be obtained by calling 707-778-4460. If you wish to board a Petaluma Transit bus and cannot find a designated bus stop, waive to the approaching bus to signal it to pull over at the nearest safe location. Ask your bus driver where the nearest stop is located.

Be Early

Always get to your bus stop five minutes before your bus is scheduled to arrive. We will do our best, but variations in weather and traffic conditions sometimes make it impossible to operate exactly on the scheduled times.

Passengers in Wheelchairs

All of our routes are accessible to wheelchair passengers. We ask that all wheelchairs have a working brake system.

Bicycles on Buses

Petaluma Transit buses are equipped with front-mounted bicycle racks. These racks can accommodate two to three bicycles very quickly and easily. Riders are responsible for loading and unloading bicycles on first-come, first-served basis.

Rules for Safe Riders:

- Please do not distract the driver while he or she is driving the bus.
- Please stand behind the white line.
- All animals must ride in carriers, except service animals.

It's Against State Law To:

- Evade payment of bus fare, or misuse transfers, passes or tickets to avoid fare payment.
- Play radios, stereos or other sound equipment when riding a bus.
- Smoke, eat, drink or expectorate while on the bus.
- Willfully disturb other bus riders through boisterous or unruly behavior.
- Penal Code Section 640 makes these infractions punishable by a fine of up to \$250.00

Plan your Trip(s)

1. Review the routes and timetables (you can also plan your trip on Google Maps or 511.org).
2. Find the locations nearest your starting point and destination.
3. Read down the columns to see times the buses serve those locations.
4. Read across to the right to see when a bus trip will reach your destination. Each row across represents one bus trip.
5. Determine if you will need to transfer to reach your final destination.
6. Now enter the information below.
